DESCRIPTION: The Institute of Theoretical and Applied Informatics of the Polish Academy of Sciences offers a position of a research assistant in the Security and Performance Evaluation Group. The person involved will participate in research topics related to location-based solutions and environment analysis using machine learning methods. The work will also include topics related to information systems security. The position does not include teaching duties.

Requirements:

- title of 'magister' or equivalent (M.Sc.) in the field of computer science (information and communication technology discipline) or related fields;
- good spoken and written English language skills;
- experience in the area of indoor positioning;
- good knowledge of Python;
- ability to work effectively as part of a team;
- experience in conducting research work, confirmed by authorship or co-authorship of scientific publications.

Additional requirements:

- experience in the field of artificial intelligence;

- participation in research projects;
- experience in the area of mobile devices.

List of required documents:

- Application letter;
- Curriculum Vitae, (with the annotation "I consent to the processing by IITiS PAN of my personal data contained in my offer for the purposes necessary for the recruitment process");
- Proof of obtained university degree;
- A statement stating that, if the competition is won, IITiS PAN will be a place of scientific activity in the discipline of information and communication technology within the meaning of the Act of July 20, 2018. - Law on Higher Education and Science);
- Additional documents (or copies) verifying qualifications.

IITiS PAN does not provide accommodation.

The successful candidate will be employed as a research assistant within the Security and Performance Evaluation Group. If you any questions please contact dr Joanna Domańska, prof. of IITIS PAN at joanna@iitis.pl.

Job applications have to be submitted personally or by post to Secretary of Institute of Theoretical and Applied Informatics, PAS to the address: ul. Bałtycka 5, 44-100 Gliwice. On the envelope it should be written: "Konkurs na stanowisko asystenta w ZMOEiBSK". It is also possible to send the scanned documents via email to the address: konkursy@iitis.pl with the topic: "Konkurs na stanowisko asystenta w ZMOEiBSK" and deliver the documents e.g. via a traditional mail later on, before signing the contract.

The deadline for submitting applications expires on 28.02.2023, 12pm (date of receipt).
